Travel & Life

Happy New Year to you all!

I hope you have managed to stay safe and well these past few months. Let's hope 2022 is the year we are all able to finally start putting this pandemic behind us.

Happily, when lockdown restrictions allowed, we saw many customers – old and new – join us on a **wide range of holidays and tours all over the UK during 2021.**

We had an increased demand from people who wanted to get away for Christmas and the New Year, with people booking well-deserved holidays away.

It was so rewarding to get such **positive feedback** from so many of you who travelled with us last year during the summer months, telling us how much you enjoyed your holiday.

That's what we love the most; knowing that we are **helping people to make memories** and have some **happy, quality time** in good company, even during such challenging circumstances.

Hopefully, we've got many more miles of smiles ahead of us for 2022. Please, rest assured that, as long as we are allowed to travel, we've taken every possible precaution to ensure our coaches are as **clean and safe** as they can be – as well as being **very comfortable**, of course!

We were also extremely proud to receive a **prestigious industry award** recognising our drivers for the work they did supporting ambulance services in Bristol last year when they were not able to do what they enjoy doing most and taking our customers on happy holidays. You can read more about that award inside.

We also managed to take 80 people away on our **annual re-union** which was a big success, and it was so nice to catch up with so many of our clients.

More exciting news is that we have **2 new Gold Coaches** which will arrive in the country from Spain at the end of January and they will be added to our fleet of gold coaches hopefully by Easter... **we will keep you posted!**

We've got a whole host of holiday hotspots, terrific tours, exciting excursions, and delightful day trips lined up for 2022; just visit us at www.bakersdolphin.com or give us a call on **01934 415 000**, and a member of our friendly team will be able to give you all the assistance you need in order to choose the perfect getaway for you in 2022.

We very much look forward to welcoming you on board one (or more) of our coaches very soon.

NATIONAL AWARD FOR BAKERS DRIVERS WHO SUPPORTED AMBULANCE SERVICE

So proud of our Drivers...

We are proud to say that a team of our drivers won the Road Haulage Association (RHA) Heroes Award after spending 14 months working with Bristol Ambulance's Emergency Medical Services (EMS).

We were humbled and honoured to be recognised with this top industry award.

Many drivers spent more than a year with Bristol Ambulance EMS when lockdown restrictions prevented us from running holidays and day trips.

When he presented us with the award, RHA chief executive Richard Burnett said: "The coach sector has been on its knees and yet their selflessness to do what they have done within a sector that had very little certainty or support is fantastic.

"It is an honour to uphold and uplift, and recognise that they have achieved because they don't get enough credit, and that makes them a worthy overall winner."

Bakers Dolphin Managing Director Max Fletcher said the drivers' local knowledge, driving skills and customer service provided an excellent foundation for them to undergo specialist training to drive ambulances.

He said: "Like most other businesses, we were looking at ways we could all get through the lockdown. Our business is well over 100 years old and has helped out in wars in the past, so this was another proud chapter in our history."

Coach firm helps charity's flagship fundraiser

A convoy of coaches from Bakers Dolphin ensured fleet-footed walkers got the best possible start to a local charity's flagship fundraising event.

Ten full-size coaches took people to their starting points for Weston Hospicecare's Mendip Challenge, which returned in 2021.

It raises tens of thousands of pounds towards the charity's vital work in providing palliative care for people living with life-limiting illnesses in Weston-super-Mare and surrounding areas.

Bakers Dolphin Sales and Marketing Director Amanda Harrington said: "The pandemic has been challenging for many businesses and organisations but charities have been particularly hard hit, with many unable to open their shops or run their

usual events, which provide vital funds for their work.

"It was heart-warming to see the Mendip Challenge return, and we are very proud to be associated with it.

"Our staff thoroughly enjoyed the amazing atmosphere that surrounds the event and loved being part of something which can make such a positive difference to the lives of so many local families."

Our short breaks have proved so popular as part of our Days Out programme, we have expanded our offering. We are offering four of the RHS flower shows travelling up the day before, staying overnight to arrive fresh for a full day visit to the show - the world's greatest at Chelsea with Kensington Palace, Hampton Court with Windsor, Tatton with the new RHS Bridgewater Garden or choose Wisley with Savill Garden Windsor.

New for 2022, look out for Come Racing at Newmarket which is a 2 night break with a visit to the National Stud followed by an afternoon at the races. The Shakespeare Express explores the backwaters of Birmingham by canal boat and you take the steam train to Stratford. For scenery, The Gower South Wales and National Botanic Gardens. Plus our most popular destinations of Portmeirion, Harrogate, Blackpool and Cornwall. Book today with a £40pp deposit and balance due 6 weeks before departure.

Enjoy a day out with lunch or tea - Silverstone, Dartmoor, or Wye Valley. New this year is a visit to The Antique Centre near Exeter or the Butterfly Farm in Stratford. Always popular are Harry Potter, Monkey World, Abergavenny, Winchester and the Dartmoor Scenic. BAKERS DOLPHIN HELPS TO GET SCHOOL BIKES BACK ON TRACK

Christmas came early for children at a Weston-super-Mare primary school after their beloved bicycles were repaired for free by Bakers Dolphin.

Bournville Primary School has plenty of outdoor space for children to enjoy riding bikes but unfortunately, many of the school's bikes had fallen into disrepair.

Derek Forbes, Quality & Compliance Manager at Bakers Dolphin, said: "Like so many schools, Bournville Primary has to work very hard to manage its budget so it struggles to keep on top of small jobs like bike repairs.

"When we heard about this, we thought it would be nice to help out so we contacted the school and brought eight bikes to our workshops just before Christmas and repaired them.

"It made a nice change for our engineer Dan Moore to work on something other than keeping our coaches in top working order and he said it was a pleasure doing it, knowing how much enjoyment it would bring to some local children."
